RE: BICSI Continuing Education Credit (CEC)

BICSI recognizes the following CECs for successful completion of the following course:

<b>“Fiber Optics Course”</b>	<u>RCDD</u> 28	<u>LAN</u>	<u>OSP</u>	<u>RES</u>	<u>Inst</u> 28
------------------------------	-------------------	------------	------------	------------	-------------------

The credits are valid for a two-year term or until the content and/or duration of the course changes. It is the responsibility of the course provider to notify BICSI of any course changes and to request a revised CEC review.

The BICSI name must be used in a manner that avoids confusion or possible misrepresentation that the course is approved or endorsed by BICSI. Optical Wavelength Laboratories is permitted to recognize BICSI CECs in its course marketing material in the following manner:

“BICSI CECs for RCDD, LAN Specialist, OSP Specialist, Residential and/or Installation (as mentioned above)”

For questions or appeals concerning the number of credits allocated to the above course, contact Richard Dunfee, Program Training Manager. at 813-903-4718.
